RECORDED PUBLIC INFORMATION LINE ***RED LIGHT PHOTO ENFORCEMENT CITATIONS***

San Diego, CA-The San Diego City Attorney's public information line regarding "Red Light Photo Enforcement Citations" is in operation: 619-533-5604. The updated recorded message is as follows:

"You have reached the San Diego City Attorney's information line regarding 'Red Light Photo Enforcement' citations. On Tuesday, September 4, Superior Court Judge Ronald Styn excluded evidence against defendants in the consolidated 'Red Light Camera Cases' and dismissed their tickets. **This ruling only affects the consolidated cases and does not affect other pending cases or cases where there was a conviction or guilty plea.**

In an earlier ruling, the Judge did find that the 'Red Light Photo Enforcement' program of the San Diego Police Department is Constitutional. The Judge also found no problems with the technology used by the system. The City of San Diego is in the process of conducting an independent audit of the 'Red Light Photo Enforcement' program. Until the audit is complete, the City Attorney's Office will take no further action regarding any other cases.

However, if you still want to go on the record, requesting a dismissal or refund, please put in writing the following information: Your full name, case number, date of the citation, location of the citation, and in which Court you made your appearance. Mail the information to: San Diego City Attorney's Office, Attention: Red Light Citations, 1200 Third Avenue, Suite 700, San Diego, CA 92101. Thank you for your cooperation. "
